Dear Rosemarie Bowler,

ORSP - Human and Animal Protections has determined that your protocol, "**Relationship of Airborne Manganese Exposure to Neurobehavioral and Health Status of Adults**" is "exempt" from regulatory oversight and does not require further ORSP-HAP review. Your research project is exempt under the following code: 45 CFR 46.101 (b)(4). Please note that your protocol will not expire, but any future changes to your research may require review.

If you change your research or have any questions, please contact us.

Regards,

Elizabeth Miller
